NOTES:
Railway inspired play equipment constructed from natural materials. Examples below by Earthscape: The play area would provide a playful narrative and interpretation of the heritage of the site, evoking the post-medieval scheduled monument Marchogion Inclined Plane - a double track inclined plane forming part of the Penrhyn Quarry Railroad.

NOTES:
1. Do not scale from this drawing.
2. Always work to noted dimensions.
3. All dimensions are in millimetres unless otherwise stated.
4. All setting out, levels and dimensions to be agreed on site.
5. The dimensions of all materials must be checked on site before being laid out.
6. This drawing must be read with the relevant specification clauses and detail drawings.
7. Order of construction and setting out to be agreed on site.
